With the growth of our community and needs, the expansion project was initiated back in 2000, with two main goals:

1. Acquire adjacent lots (1 & 2) to the Islamic center.
2. Expand the current Islamic Center, to provide needed space for children and families, particularly during Jumuaa Prayer and Ramadan.

To accomplish this second goal, the features of the expansion project are designed to include:

- Larger prayer area, multipurpose hall (ladies area, children area, conference room)
- Classrooms, computer lab, library, Imam office, Guest office;
- Remodeled kitchen, expanded/more bathrooms, ablution areas,
- Playground for children/picnic area—over pond; Parking (18 spaces) plus emergency parking.
